How do parents respect their children?

God entrusted children to parents so that they might be steady, righteous examples for those children, that they might love and respect them and do everything possible so that their children can develop physically and spiritually. Children are a gift from God and not the property of the parents. Before they are their parents' children, they are God's children. The primary duty of parents is to present to their children the Good News and to communicate the Christian faith to them.

How should a family live its faith together?

A Christian family should be a miniature church. All Christian family members are invited to strengthen one another in faith and to outdo one another in their zeal for God. They should pray for and with each other and collaborate in works of charity. Parents stand in for their children with their own faith, have them baptized, and serve as their models of faith. That means that parents should make it possible for their children to experience how valuable and beneficial it is to live in the familiar presence of the loving God. At some time, however, the parents, too, will learn from their children's faith and hear how God speaks through them, because the faith of young people is often accompanied by greater devotion and generosity and "because the Lord often reveals to a younger person what is better" (St. Benedict of Nursia, Rule, chap. 3, 3). CCC section (2221-2231).

Cómo respetan los padres a sus hijos?

Dios confió a los niños a sus padres para que sean firmes y rectos ejemplos para esos niños, que los amen y respeten y hagan todo lo posible para que sus hijos puedan crecer física y espiritualmente. Los hijos son un regalo de Dios y no propiedad de los padres. Antes de ser hijos de sus padres, son hijos de Dios. La tarea primordial de los padres es presentar a los hijos la Buena Nueva y transmitirles la fe.

Cómo una familia debe vivir unida en la fe?

Una familia Cristiana debe ser una pequeña Iglesia doméstica. Todas las familias Cristianas están invitadas a fortalecerse en la fe y excederse en el celo por Dios. Deben rezar unos por otros y colaborar en trabajos de caridad. Los Padres son ejemplo para sus hijos con su propia fe, bautícenlos, y sean modelos para ellos. Es decir que los padres deben hacer posible que sus hijos experimenten que valioso y beneficioso es vivir en la presencia familiar de Dios. En algún punto, los padres también aprenderán de la fe de sus hijos y verán como Dios habla por medio de ellos, porque la fe de los menores suele estar acompañada de una gran devoción y generosidad „porque el Señor muchas veces revela a personas jóvenes lo que es mejor% (San Benedicto de Nursia, Regla capítulo 3,3) CIC sección (2221-2231)
