Do ushers just take up the collection and handout bulletins at the end of Mass? No - their duties and responsibilities are much more than that.

We need more people to sign up to help at each mass. We will have an usher training session at [Saint Vincent de Paul Parish](#) on Feb 15 & 22 at 10:30 AM (after 9:30 Mass). All new and experienced ushers should plan to attend at least one meeting.

WOMEN ARE WELCOMED TO SERVE AS USHERS

Good News!

THIRD SUNDAY IN ORDINARY TIME
 Jon 3:1-5, 10 / 1 Cor 7:29-31 / Mk 1:14-20

Whether he knew it or not, Jonah was one of the most powerful prophets in Israel. He had scarcely started on his journey through Ninevah when the entire city under the direction of the king expressed sorrow for their sins and turned God's judgment to mercy. I think we all hope we might be that effective in our jobs.

If we to continue to read the book of Jonah, though, we find that he wasn't so happy about this turn of events—he felt it made him look weak. Did he not predict the destruction of Ninevah if they failed to repent?

But for now, we see a people so moved by the Word of God that they immediately change their behavior. In Mark's Gospel, Christ's invitation is just as compelling for the four fishermen who abandon their nets and their father by the sea and immediately change their direction and their lives.

I have a hard time imagining the words that would make me drop everything to follow a completely different path. Certainly I've taken the advice of friends and family or have responded to circumstances that demanded a new direction, but only after reflection and prayer—but it took considerably longer than a single moment.

The power of the Good News, however, is unlike any other to those who are opened to it. When we really hear God's voice, our hearts yearn to be in his presence and, though not always easily, our souls and minds bend to his will.

How is God's Word calling *you* to change today?

Do votive candles make a difference?

At my church, some people take the votive candles out of the holders and place them next to the statues and icons. Does this make the saint or God pay more attention to the petitioner? And isn't it a fire hazard?

Vigil lights, commonly known as votive candles, are usually lit when a person seeks some favor from the Lord or a saint's intercession. Lighting a candle is a way of extending one's prayer and showing solidarity with the person on whose behalf the prayer is offered.

In the lighting of candles we remember and truly live the words of our Lord, "I am the light of the world" (John 8:12). We burn candles to symbolize our prayers' rising to heaven day and night; prayers for the saints' intercession are also common because of their friendship with God in heaven. Saints are powerful intercessors.

God hears all prayers uttered in sincerity. Burning a candle as we pray doesn't make that prayer more important than prayers offered without a candle; neither does moving the candle to the front of the line.

If your church has made sure that the placing of the votive candles complies with local fire regulations, you have no worries about setting a fire with vigil lights.
